

GxmTrading

RISK DISCLAIMER

A note regarding possible risks is intended to inform our clients of the potential risks associated with trading in foreign currencies. This clause is appended to the "User Agreement".

Significant risk is inherent when trading in foreign currencies, carried out based on immediate settlements, forwards, day trading, and options. Before making a deposit and trading on the GXM Trading server, you should examine your financial situation first. Only trade with capital that is not essential for your life and well-being. This is due to the fact that any trade operations with foreign currency may incur partial or total losses.

You should familiarize yourself with all of the information on the GXM Trading website associated with any possible risks arising from foreign exchange trading.

You should not rely solely on the information posted on the GXM Trading website regarding forecasts and exchange rates at the time of review. GXM Trading is not responsible for actions taken on the basis of the information provided. The information provided on the website does not reduce trading risks, it is simply stated to inform
